PROFILE

Driven, creative, and outgoing full-stack developer with design background. I've run 200+ person creative meetups, launched my own social network to a 6,000+ person waitlist, and opened my own photo studio at the age of 17. My work has been featured in ZARA, Product Hunt, Fox Business, and more.

EXPERIENCE

- ❖ **Web Developer, BriteBee** Jan 2019 – Present
Oklahoma City, OK
 - Designed and built BriteBee landing page
 - Created WordPress themes for a number of clients
 - Built WordPress theme toolkit to improve turnaround time
