About Me

Drive, creative, and outgoing full-stack developer with design background. I've run 200+ person creative meetups, launched my own social network to a waitlist of 6,000+ developers, and opened my own photo studio at the age of 17. My work has been featured in ZARA, Product Hunt, and Fox Business.

Work Experience

Web Developer, BriteBee (Remote)

January 2019 — Present

- Designed and built BriteBee landing page
- Created WordPress themes for a number of clients
- Built WordPress theme toolkit to improve turnaround time
- Assisted in data transfer between legacy and current website

Creative Director, Pixel Bakery (Lincoln, NE)
